

Welcome to The Pride!

The Leander Lions Football Booster Club welcomes all our players' families to *The Pride*. Each family is encouraged to participate and support our football program through community involvement. We require each family to purchase their player package and encourage you to become a member of the booster club, lead and volunteer at our events and make contributions to support our athletes. We look forward to bringing our community together. *Roll Pride!*

What is Track it Forward?

Starting with the 2023-2024 LHS football season, the Leander Lions Football Booster Club will use [Track it Forward](#) to bring our football community together. This tool will allow us to:

- Communicate the needs of our football program directly to our families.
- Track your commitment to the program and identify areas where we can improve our efficiency.
- Recognize the value of our organization and its members.

How does it work?

Each player's family is asked to accumulate a total of 20 Pride Hours per season.

There are 5 ways to accumulate hours:

- Purchase your Player Package (\$200 per player) = 10 Pride Hours
- Become a Booster Member (any level) = 3 Pride Hours
- Become a Committee or Event Lead = varies by event
- Volunteer at events or in the concession stand = 1 Pride Hour for every hour served
- Monthly Donations (items for players, concessions or monetary contributions) = 1 Pride Hour per donation or \$20 contribution (donations are tax deductible).

Example:

Player Family Pride Hours

Activity	Pride Hours Earned
Family paid Player Package	10
Family purchased a Booster Membership	3
Player helped "The Mane Crew" to set up the tunnel	1
Player's sister passed out rally towels	1
Parent signed up to be a Committee Lead	5
Total Pride Hours earned for the season:	20 Pride Hours

How are accounts set up?
